

**K·Quik™**

## DESCRIPTION

### Medium Chain Triglycerides (MCT) Emulsion

A ready-to-use liquid emulsion of medium chain triglycerides (MCT).

## USE UNDER MEDICAL SUPERVISION

## INDICATIONS

For use in the ketogenic diet or in the dietary management of conditions requiring MCT from 3 years of age.

## DOSAGE AND ADMINISTRATION

To be determined by the clinician or dietitian and is dependent on the age, body weight, and medical condition of the patient.

## PREPARATION GUIDELINES

Shake well before use.

For tube and oral feeding.

Best served chilled.

Can be incorporated into food, beverages, or an enteral formula. Further serving suggestions and recipes for K·Quik are available on request.

## STORAGE

Store in a cool dry place.

Once opened, store in a refrigerator and use within 48 hours.

## IMPORTANT NOTICE

Must only be used under strict medical supervision.

Not for intravenous use.

For enteral use only (tube and oral feeding).

Not for use as a sole source of nutrition.
